Rotary's programs for students and youth can change the lives of those who participate. Through these programs, young people can earn scholarships, travel on cultural exchanges, or help a community through a service project.

### Youth Programs:

Thousands of people age 30 and younger participate in Rotary programs to learn skills that will help them become future leaders. Youth programs allow participants to discover more about themselves and the world by participating in community projects, leadership training, or cultural exchanges. Young people also learn about the principles of ethics, service, and fellowship that Rotarians exemplify. Rotary Youth Exchange students may spend up to a year living with host families and attending school in a different country.

### Rotaract:

Rotaract is a Rotary-sponsored service club for young men and women ages 18 to 30. Rotaract clubs are either community or university based, and they're sponsored by a local Rotary club. This makes them true "partners in service" and key members of the family of Rotary

### Interact:

Interact is Rotary International's service club for young people ages 12 to 18. Interact clubs are sponsored by individual Rotary clubs, which provide support and guidance, but they are self-governing and self-supporting. Club membership varies greatly. Clubs can be single gender or mixed, large or small. They can draw from the student body of a single school or from two or more schools in the same community. Each year, Interact clubs complete at least two community service projects, one of which furthers international understanding and goodwill.

### About RYLA

Rotary Youth Leadership Awards (RYLA) is Rotary's leadership training program for young people. RYLA participants can be ages 14-30, but most clubs and districts choose to focus on a narrower age range, such as 14-18 or 19-30. RYLA emphasizes leadership, citizenship, and personal growth, and aims to:

- Demonstrate Rotary's respect and concern for youth
- Provide an effective training experience for selected youth and potential leaders
- Encourage leadership of youth by youth
- Publicly recognize young people who are rendering service to their communities

### THE FOUR-WAY TEST

Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
